📄 About Me

I possess a talent for quick learning and enjoy taking on challenging problems. My ability to swiftly grasp complex topics is evidenced by my outstanding academic performance in the PWAD course at IsDB BISEW. I have a passion for exploring new technologies and aim to work on projects that bring positive impacts to our lives. I am eager to contribute to and lead the growth of your esteemed company.

🔍 Projects

📁 Store Management (POS)

Raw PHP, MySql, JavaScript, Tailwindcss

Solved the database design problems, implemented full functionality of POS including sales and wholesale purchase.
